

The Coordinating Group is a group made up of the convenors of the various Action Groups, the minister, session clerk and depute clerk.

The purpose of this group is simply to coordinate the work happening between the different Action Groups and to allow opportunity for the convenors of each Action Group to share information without taking up valuable time in the Kirk Session meetings.

The Coordinating Group meets between the individual meetings of the Action Groups and the Kirk Session meetings. At the Coordinating Group the key items for the agenda of the next Session meeting are agreed, depending on what matters require a decision of the Kirk Session.

The Coordinating Group is chaired by the Session Clerk, Andy Williamson.
